REUNION OF SPECIAL INTEREST.

The Palmetto Sharpshooters and the Sixteenth Michigan Are to Meet at Louisville.

The Louisville correspondent of the News and Courier, in writing of matters pertaining to the reunion of the Confederate Veterans next month, gives the following relative to a special meeting between the Federals and Confederates:

While the Confederate Reunion committee are arranging for the big Reunion of all Confederates who will come to Louisville in May, various individuals are arranging for minor reunions of special parties. Several blue and gray reunions will be held, among which is one that is of especial interest to South Carolinians. It is the meeting of the Palmetto Sharpshooters and the 16th Michigan. These two regiments fought each other at Gaines's Mill, on June 27, 1862.

The following letter from Capt. James A. Hoyt, addressed to Major Thomas D. Osborne, chairman of the printing committee, is self-explanatory:

"Greenville, S. C., April 4, 1900.

"Mr. Thomas D. Osborne, Louisville, Ky.—Dear Sir and Brother: I am planning for a special reunion of the Palmetto Sharpshooters and the 16th Michigan regiment, who fought with each other at Gaines's Mill on the 27th of June, 1862, and hope that quite a number of each regiment will be present. If feasible I wish to arrange a place of meeting on an evening that may be agreed upon, when we can have the camp fires lighted again and both sides can be heard from in amity. Possibly we might want a banquet or something to eat just as a starting point for getting together. The assembly may be very small, not over a hundred in any event, I would suppose. I am in correspondence with some officers of the Michigan regiment, and can let you know hereafter as to the prospect. I would like to have you co-operate in making the necessary arrangements, which is a great deal to ask of you. But I would presume upon 'old acquaintance'."

I ought to say that the two regiments faced each other at Gaines's Mill, apart from the other troops, and that the Palmetto Sharpshooters stacked arms in front of the 16th Michigan at Appomattox, when they surrendered in 1865.

Very truly yours, / JAMES A. HOYT.

Major Osborne will attend to the matter of Col. Hoyt at this end, and he says he will do all he can to make the reunion of these two regiments pleasant for all who come. Major Osborne is a member of the staff of the Courier-Journal, and he attends to the advertising part of the big affair that is to be "pulled off" in Louisville in May-June. He says that the reunion of the Palmetto Sharpshooters and the 16th Michigan regiments will be, perhaps, one of the most notable of the minor reunions that are to be held.

POPULIST WANTS TO NOMINATE DEWEY.

Ex-Coxyite is Strongly in Favor of the Admiral Instead of Barker.

KANSAS CITY, April 18.—Carl Brown, of Coxy army fame, addressed the morning session of the convention of Missouri middle-of-the-road Populists to day and created consternation among the adherents of Wharton Barker, of Philadelphia, when he strongly advocated Dewey as the head of the Populist national ticket.

"Barker," declared Brown, "is up against an iron wall of conditions and defeat for him is inevitable. 'The head of the ticket should be the popular idol of the people, Admiral Dewey, with Wharton Barker or Ignatius Donnelly for vice president.' There was a show of stopping the speaker as he uttered these remarks, but he was permitted to continue. Silence marked the close of his address.

The Sahara is not a barren waste, as is popularly supposed. Not long ago there were 9,000,000 sheep, 2,000,000 goats and 250,000 camels in the Algerian Sahara alone; and the oases furnished a million and a half date palms.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is no
